

Chan Chan

Exploring an ancient city

Virtual Field Trip

[Visit Chan Chan here](#)

Explore Chan Chan archeological site via Google Arts & Culture. What sticks out to you about this historic site?

Next Steps

01 *UNESCO World Heritage Website*

Click through the Gallery. Notice the designs and patterns used throughout Chan Chan. Choose one image/design that you connect with. Design and sketch your own structure/frieze/animal/etc, that could appear within the walls of Chan Chan, or could be used at your own personal archeological site. What does this sketch mean to you?

02 *Read articles at Smithsonian Website and Applied Archaeology and World Heritage in Danger Website*

What do you think about climate change affecting Chan Chan? What ideas do you have that might help preserve Chan Chan from washing away?
